## Handsome Sum Realized

The gross proceeds of the Minstrel performances given Wednesday afternoon and evening for the benefit of the Baseball Club amounted to \$500, and the net amount to be turned over to the ball magnates will be about \$350. This is quite a neat nest egg and if the receipts of the games the coming season are in keeping with the financial success of the Minstrels the Maysville Club of 1911 will land on the shady side of Easy street.

## Nearly Smothered

Chandler, N. C.—Mrs. Augusta Lomax of this place writes: "I had smothering spells every day, so bad that I expected death at any time. I could not sit up in bed. I suffered from womanly troubles. My nerves were unstrung. I had almost given up all hope of ever being better. I tried Cardui, and it did me more good than anything I had ever taken. I am better now than I ever expected to be." Thousands of ladies have written similar letters, telling of the merits of Cardui. It relieved their headache, backache and misery, just as it will relieve yours, if you will let it. Try.

"Why are some women overfed on the luxury of love, while others starve for want of it?" asks ARTHUR LAURENCE LIBBEY. It probably takes more to feed some than others.

Penny soup, penny bread and penny coffee for Washington newsmen, and "penny bundles of wood to enable the worthy poor to buy fuel." This is the latest development of civilization in the proud capital of this Republic. We're going some in these days!

The Department of Agriculture reports the following values of farm animals January 1st, 1911, and the change since January 1st, 1910: Horses, \$111.67, an increase of \$3.48; milch cows, \$40.49, an increase of \$4.70; sheep, \$3.73, a decrease of \$5c. and swine, \$9.35, an increase of 21 cents.

REVISION seems to be the style. The politicians are not only revising and re-revising the Tariff, but now Bishop WILLIAMS of the Episcopal District of Eastern Michigan announces that he favors revising the Ten Commandments in accordance with the movement set on foot in England.

"I don't believe there is any person nowadays who believes the Lord created Heaven and earth in six days," said the Bishop, "and that is my reason for favoring an abridgement of the Fourth Commandment."  
"If the American Episcopal Church should take up the matter of abridging the decalogue I would be in favor of abolishing the First, Second, Third, Fourth and Tenth Commandments. The others are short enough."

Here is Bishop WILLIAMS' revised Commandments:

1. Thou shalt not have any other gods before Me.
2. Thou shalt not make unto thyself any graven image, nor the likeness of anything that is in the Heavens above nor in the earth beneath nor in the waters under the earth; thou shalt not bow down to them nor worship them.
3. Thou shalt not take the name of the Lord in vain.
4. Remember that thou keep holy the Sabbath day.
- 5, 6, 7, 8, 9 unchanged.
10. Thou shalt not covet.

The proposed revision has aroused interest in all Church circles.

## FREE SAMPLE OF LAXATIVE CURED THEIR CONSTIPATION

When a person has become discouraged through years of failure to find a cure, and finally, perhaps, gives up trying, it is small wonder that he becomes skeptical. And yet, to all who have constipation, we would say, "Try just one thing more."  
We wish you would try Dr. Caldwell's Syrup Pepsin, a laxative tonic that has been used for a generation. Thousands are using it; surely some of your friends among the number. You can buy it of any druggist at fifty cents and one dollar a bottle, but better still, send your name and address to Dr. Caldwell for a free sample bottle. He will send you enough to convince you of its merits, and then if you like it you can buy it of your druggist. Mr. J. J. Petty of Unionville, Mo., Mr. George W. Zimmerman of Harrisburg, Pa., and many others of both sexes and in all parts of the country first used a sample bottle and now have it regularly in the house.  
You will learn to do away with salts, waters and cathartics for these are but temporary reliefs while Dr. Caldwell's Syrup Pepsin is guaranteed to cure permanently. It will train your stomach and bowel muscles so that they will do their work again naturally without outside aid. Cast aside your skepticism and try Syrup Pepsin.  
Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him Dr. W. B. Caldwell, 541 Caldwell building, Monticello, Ill.

It is unkind to keep calling attention to the fact that all the electors in Adams county are Protestants and native born Americans.—Portsmouth Blade.

It's worse than a cold plunge to meet one of those individuals in whom the milk of human kindness has turned to Switzer cheese. You know the kind. All Church members are hypocrites, all public men are grafters, every man has his price, etc. It may all be true; we don't know; but we would rather have the "dust to dust" ceremony said over us than to believe it and have to nurse the ingrowing grinch that such views produce.—Exchange.

On the Lorimer question Senator BRADLEY is sitting steady in the boat, because all Senators are in the same boat. Now, that's the Lorimer situation in a nutshell. Lorimer is just as virtuous as any Senator in Congress, and in justice is as much entitled to his seat as PANTER, or BRADLEY, or POMERENE, or BENDER, or BAILEY, or any one of the long list who pose as pure and undefiled, without the need of a coat, vest and pants of whitewash. Oh, these fellows—and there are millions of them—who want the other fellows in jail, forgetting that they should be there themselves. Human nature is a monster of injustice and selfishness.

This is what Judge CORN of Ironton writes to Senator DRYAL, and what neither the honorable Senator nor his supporters of the Anti-Saloon League have been in a hurry to publish:

"I have been holding Courts regularly in two counties, Adams and Lawrence. As I came home last Saturday from Adams county I saw sights that were revolting, sickening and disgusting. Manchester, O., is in dry territory; Mayville, Ky., twelve miles away, is wet territory. When I was taking the train at Manchester for home I saw at least fifty persons alight from that train drunk, loaded down with whisky in their pockets and in baskets, many of whom were mere boys, reeling, staggering and yelling in their childish piping voices. Ironton, O., in dry territory, is but ten miles by streetcar from Catlettsburg, Ky., which is wet, and but four miles from Ashland, Ky., which is supposed to be dry, but where whisky and beer are both sold the same as when the saloons were allowed, and the same conditions exist here that I have described as existing at Manchester in Adams county. Besides, men who heretofore were in the habit of taking one drink now buy whisky in large quantities and keep it in their homes and drink much more than heretofore."—News, Columbus.

Do you tell your wife everything you do while she is away?  
"No; the neighbors attend to that."

## DOCTORS FAILED TO HELP HER

Cured by Lydia E. Pinkham's Vegetable Compound

London, Wis.—"I am glad to announce that I have been cured of dyspepsia and female troubles by your medicine. I had been troubled with both for fourteen years and consulted different doctors, but failed to get any relief. After using Lydia E. Pinkham's Vegetable Compound and Blood Purifier I can say I am a well woman. I can't find words to express my thanks for the good your medicine has done me. You may publish this if you wish."  
—Mrs. HERMAN SMITH, Pound, Wis.  
The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled. It may be used with perfect confidence by women who suffer from displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration.  
For thirty years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills, and suffering women owe it to themselves to at least give this medicine a trial. Proof is abundant that it has cured thousands of others, and why should it not cure you?

If you want special advice write Mrs. Pinkham, Lynn, Mass., for it. It is free and always helpful.

## A CORROBORATION OF INT RST TO MAYSVILLE READERS

For months Mayville citizens have seen in these columns enthusiastic praise of Doan's Kidney Pills by Mayville residents. Would these prominent people recommend a remedy that had not proven reliable? Would they confirm their statements after years had passed? If personal experience had not shown a remedy to be worthy of endorsement? No stronger proof of merit can be had than cures that have stood the test of time. The following statement should carry conviction to the mind of every Mayville reader:

M. C. Chasbom, 317 East Second street, Mayville, Ky., states:

"The cure Doan's Kidney Pills effected in my case some years ago has been permanent, and the public testimonial I then gave in their praise still holds good. I was bothered a great deal by too frequent passages of the kidney secretion, this being especially annoying at night, when I was obliged to arise several times. Having my attention called to Doan's Kidney Pills, I procured a box at J. J. Wood & Son's, Orangeburg, and had taken them only a short time before I noticed a marked improvement. They now cured me, and I have since learned of several other cases where Doan's Kidney Pills have been used with good results."
